## **Health**

### **Pharmaceutical Indigent Patient Programs**

#### **Illinois Department on Aging Senior Helpline – (800) 252-8966**

This program allows a physician to obtain certain prescription medications from participating manufacturing companies for eligible patients at a reduced cost or no cost to the patient. Each pharmaceutical manufacturer that chooses to participate in the Indigent Patient Program establishes patient eligibility requirements, as well as the process the physician is to follow when requesting assistance for a patient. Requests are accepted from licensed physicians only. Many doctors are unaware of the program and not all pharmaceutical companies participate. Contact the Illinois Department on Aging's Senior Helpline for a reference guide.

**The following is a list of companies who have provided this assistance:**

#### **Abbott Laboratories**

800-222-6885

#### **Alza Pharmaceuticals**

800-652-6227

**Elks Clinic for Children**, 800-272-0074

Free orthopedic assessment clinics for any child up to 21. Possible financial assistance based upon need with orthopedic treatment and a limited number of other children's medical problems.

**Illinois Department of Human Services/Family Assistance**

100 S. Grand Avenue East, Springfield, IL 62704

800-843-6154; 800-447-6404 TTY

This program is offered by the Illinois Department of Human Services. They will accept applications year round and will select participants as funding will allow. The "Home Based Support Services Program" tailors services to help adults with disabilities live at home. The "Family Assistance Program" makes monthly cash payments to families of children with severe disabilities. Eligible disabilities include severe autism, severe or profound mental retardation, severe and multiple impairments, severe emotional disturbance and severe mental illness. Residency and income guidelines applied.

**Institute for Health & Disability – University of Minnesota**

Minneapolis, MN 55455

612-624-6300; [www.ici.umn.edu](http://www.ici.umn.edu)

The institute for Health & Disabilities brings together research, training and information dissemination projects and centers dedicated to the study and promotion of the psychological and social well-being of children and youth with disabilities and their families. The projects supported through the Institute promote resilience and competence. They also provide a variety of resources for families, professionals and agencies.

**Muscular Dystrophy Association**

115 North Neil Street, Ste. 100, Champaign, IL 61820

217-351-1853
