Late Afternoon Passport Appointments Now Available

Plainfield Township has been a passport acceptance facility for over 10 years and in the past year, onsite passport photo services were added.

To meet the growing need for this service, effective Tuesday, November 7, 2017, the office will remain open until 6:00 p.m. exclusively for passport appointments.

“This is a valuable addition for all those citizens who aren’t able to schedule an appointment during the normal work week as well as offering the convenience of taking care of the entire process at one location, said Supervisor Tony Fremarek.”

For passport application details as well as a list of all the additional services offered, please visit the website at www.plainfield-township.com/services/passport-services.
